[RUSH] MESSAGE: Please initial or line through citations. *Copy provided for reference

Claims 2, ⁹14, 16 & 24 shown in the claim set dated 6/30/04 are not cited on the index - please supply an index of claims to match the claim set. Please note that if these claims are not allowed dependencies must be amended.

[XRUSH] RESPONSE:

① The IDS for 4/19/04 has been considered and the 1449 has been initiated by the Examiner & mailed to applicant via PTO-90

② An email attachment reflecting the amended claims in the Examiner's Amendment (10/6/04) was not scanned in. In that amendment from email, claims 2, 9 (not 19), 16, and 24 are shown to be cancelled. Therefore, generating an index of claims is not necessary. The email attachment that is part of the Examiner's Amendment is now enclosed & needs INITIALS: KF

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
